

Fifty Rand a month to bring about change

Let's build a better, brighter, safer future together.

God's Golden Acre was born out of a vision that, despite a once in a millennium pandemic raging through South Africa, every child should have a home – a home of love, opportunity and hope. Patrick and I have dedicated the past 19 years of our lives to this cause and we are more committed now than ever before. We have seen countless lives transformed in ways that defy description or explanation. And yet we are only just beginning. We invite you to please consider making a small monthly contribution to the work we are doing, and so become part of our transformative community. In so doing you will not only strengthen our existing efforts and provide the platform for further impact, but sustain God's Golden Acre at a crucial stage in our history. We have seen for ourselves that change does not come in big steps but only when many move in the same direction. **R50 a month will signal your commitment to help us bring about positive change in the lives of these children and our communities.** We also invite you to join our God's Golden Acre Face Book Community, which will keep you up to date on daily activities and future events.

In return for your generosity we will send you the twice yearly newsletter, keeping you in touch with the progress of the work done at God's Golden Acre.

Newsletter to be sent by email or posted Please indicate your preference with a tick and return this form to us
