R100 THOUSAND

CAN COMPLETELY CHANGE THE
LIVES OF ORPHANED CHILDREN

THE NEED

God's Golden Acre was born out of a vision that, every child should have a home – a home of love, opportunity and hope. Due to the recent global financial crisis GGA has lost many fundraising sources. It is crucial that we become self supporting.

THE BASICS

We are challenging all bikers to become good samaritans by finding commitments of **R1000 per month for one year**. The fundraising could come from your local faith community, a company you work for (or own), or even an individual or committed family!

THE PRIZE

If we reach our fundraising goal of R100 thousand per month, the biker who secures the most support will receive a **two week holiday including airfare and accommodations in Europe**. This prize is only given out if the full fundraising goal is reached!
